There will be a buffet available for purchase on Friday and Saturday nights so the doors will open at 6pm on both nights.

Friday's buffet will be casual with sandwiches, salads, etc. I do not know the price.

Cindy and Larry Black will be the DJ's on Friday night. Cover charge - donation

Our event actually starts at 8pm on Saturday night but you may want to arrive early if you are going to eat.

Saturdays buffet will include tenderloin, pork loin, vegetables, salad and dessert. They are also considering adding fish.

The cost is \$17.00

If you are not staying at the hotel do not park in their parking deck. There is a parking lot located directly across the street from the Surfside. There is a charge of \$5.00 to park in the lot.
