

LINDA BAKER¹ (2012)

Linda has been dancing since she was 11 years old, attending all the youth dance spots in Norfolk throughout her teen years. Later as a wife and mother of 3 children, she returned to dancing when life's priorities allowed, at Fat Rogers, Steppin' Out, Larkins and the Round Room.

Linda joined the Tidewater Shag Club in 1986, which evolved into the Virginia Beach Shag Club (VBSC). Over the years, she has been a mainstay VBSC volunteer on various committees and the Board. She has also been a devotee of SOS since 1987, and a much-favored partner on North Myrtle Beach dance floors.
